Dear. Nene Tereza

We would like to thank you for working in partnership with our organisation. We are two organisations which work for the Albanian community in the UK.

It was pleasure working with you since we have started. We have started working with you two years ago and we would like to carry on working and develop our partnership work further. It is for the best of Albanian Community.

Nene Tereza is the best organisation for Albanian community in the UK. All parents and children enjoy the activities that Nene Tereza Organisation organise for them.

I want to thank you the Nene Tereza Organisation for the experience they share with us.

However, by running the activities together it develops our working partnership further.
