**“ Mother Teresa” Albanian Union is a charity organisation with charity number 1132543.**

One of the organisations which we are working in partnership is Nene Tereza London Director Z. Esat Brace.

With Nene Teresa London we exchange experiences for supplementary schools, training, programmes, and evaluation forms.

Also we cooperate together in organising social and cultural events, like the one, for our 100 Years Albania’s Independent Day.

We would like to cooperate with Nene Teresa London for long-term, as their staff is very experienced and always very helpful to us.
